THANK YOU ROBERT ACKLEY!

A big thank you to for the donation of a Panic Master Bow Simulator, a Pro Chrono (bow speed chronograph), two bag targets, some paper targets, and some VHS format videos, one on string making! Thanks Bob!

PARTY FOR A GOOD CAUSE

Redwood Bowmen will be hosting a party fundraiser on October 25th to benefit disabled archery programs. Bring something to grill and enjoy live music, more info on the flyer below.

CALL FOR NOMINATIONS

As the holiday (and turkey) season approaches we again look to electing new officers. Please come to the next club meeting to nominate anyone you think has shown they belong in an office adding to the growth of the club.

So far officially nominated are Doug Scott for President, Anthony Kesich for VP, and Amber Adams for Secretary.

ADOPT-A-TARGET

In an effort to get members more involved in the maintenance of the range, and to reduce the strain on the range manager and everyone at the monthly work parties, we are introducing the Adopt-A-Target program. This is your chance to sign up for maintenance on the target of your choice, if they are not already taken. Up to four people will be assigned to a target. Those four will be responsible for the removing of trash, painting stakes, clearing brush, changing target faces when needed, and any other maintenance needed on that shot.

Sign up early to get your choice, after that all unmanned targets will be assigned.

2014 TURKEY SHOOT

The Turkey Shoot will be on November 16th. An extra work party will be held on the Saturday before to be sure we are prepared. Please come to the next meeting and sign up for what you'd like to do to help during the shoot! The shoot flyer is below.

---DRY RANGE---

During the last meeting it was decided that an alcohol policy should be instituted immediately. Alcohol is not allowed outside the range house fence. Alcohol is not allowed during any club sanctioned shooting event. After the cleanup is done and everyone has gone home...then have a beer to celebrate!

ANDREA HOLLAND SHOOT

Briones Archers is hosting a shoot in memory of Andrea Holland who was a long time member of their club. The proceeds from the shoot will go to the Lindsay Wildlife Museum, her favorite charity. The shoot flyer for October 19th is below.

CALIFORNIA STATE ENCORE GAMES

The California State Encore Games will be held in the Bay Area in November. This is a second chance to qualify for the National Senior Games to be held in Minneapolis in 2015.

The archery event will be held at Black Mountain Bowmen in San Jose on November 8-9. There will be a double 300 round at 20 yards on Saturday and a 900 round (60-50-40 yards) on Sunday.

Karen Keating from Black Mountain Bowmen and Dawnel Scott will co-chair the archery event. More information in the flyers section.

To register, visit: <http://www.encoregames.org/>

DRIVING THE CARTS

The Redwood Bowmen have two carts for doing maintenance on the range. The older John Deere five wheel gator, and the newer Kawasaki Mule 4x4. The John Deere is housed in the small shed behind the range house. The padlock key provided with membership gives access to this shed. Gasoline for the carts is also kept in this shed. Failure to follow instructions for operating the carts will result in their being damaged and unavailable for use.

!!Do NOT drive any motor vehicle after consuming alcohol or if unfamiliar with the operation of it!!

!!These are not licensed vehicles it is ILLEGAL to operate the carts on any public paved road!!

Keys for the Kawasaki are held by people who are responsible for the operation of the cart. The Kawasaki is kept in the larger garage and secured with a combination lock.

Starting the John Deere;

1. Step on the brake
2. Place the transmission in neutral
3. Pull the choke knob out (when cold)
4. Turn the key
5. Once the engine warms up, push the choke knob back in

Driving the John Deere;

- Place the direction lever in FWD or REV
- **Gently** push the accelerator
- **AVOID SHARP TURNS!!** This cart has one front wheel, it will tip or roll if not controlled!
- When braking avoiding turns is critical! Plan your path ahead of time!

Parking the John Deere;

1. Stop safely
2. Engage the parking brake
3. Put be directional control in neutral
4. Turn off the cart

Starting the Kawasaki;

1. Step on the brake
2. Place the transmission in neutral
3. Place the Diff Lock in unlocked
4. Put in and turn the key
5. **WAIT** until the engine idle slows
6. Release the emergency brake

Driving the Kawasaki;

- Place the transmission lever in 2H
- **Gently** push the accelerator
- Keep the transmission in 2H unless the wheels spin
- Shift to 4H when wheels spin
- Shift into 4L when the cart engine will not get the vehicle up an incline
- **ONLY** engage the differential lock when the wheel on one side spins and the cart will not move
- Once clear of the difficult terrain, unlock the diff

Parking the Kawasaki;

1. Stop safely
2. Engage the parking brake
3. Shift into Neutral
4. Turn off the cart
5. Remove the key
