Volunteers Needed

Redwood Bowmen is the place to be this Spring!
There is a class scheduled **every weekend** and volunteers are needed
to set-up, assist, and break-down.
If you're able, please arrive one hour prior to help with set-up.

President's Message

Hi Redwood Bowmen Members,

Spring has sprung and the swampy practice range is starting to dry out. The trees and poison oak are looking quite healthy this year after a winter of much needed rain. Maybe a little more rain coming than that perfect field archery weather we get all summer.

Last year, we had the honor of teaching archery to a women's military veterans group. They were excellent students and became proficient archers quickly, as expected. After their second class, there were many questions of where they may purchase quality bows. We have not seen the last of them and they put the word out to other veteran groups.

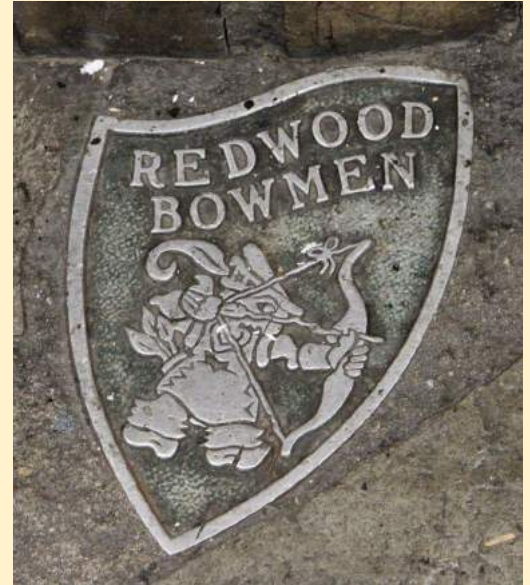

Two vet groups heard the praise of our classes and have arranged classes this month. The one group from Oakland is scheduled for April 23 (10:30 am), and the one from Concord, April 30 (1:30 pm). Teaching volunteers will be needed for these classes. You will find these classes to be very rewarding.

The goal of these classes is to help them create their own independent program. They will probably be some fierce competitors in the near future.

"Ask not what the club can do for you, ask what you can do for the club."

Neal Rubin

President of Redwood Bowmen

Club Shoot High Scores

Unfortunately, our March club shoot was cancelled due to weather and loss of power.

Guest Snapshot

Representing the Club

Our club members do an excellent job of representing Redwood Bowmen when shooting tournaments throughout the country!

Thanks for making us proud!
