## ADOPT-A-TARGET

In an effort to get members more involved in the maintenance of the range, and to reduce the strain on the range manager and everyone at the monthly work parties, we are introducing the Adopt-A-Target program. This is your chance to sign up for maintenance on the target of your choice, if they are not already taken. Up to four people will be assigned to a target. Those four will be responsible for the removing of trash, painting stakes, clearing brush, changing target faces when needed, and any other maintenance needed on that shot.

Sign up early to get your choice, after that all unmanned targets will be assigned.

The sign up sheets are by the door to the club house. They will be available until the end of February. In March, remaining targets will be assigned!

## CBH/SAA

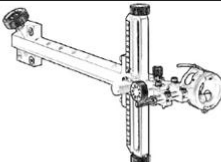

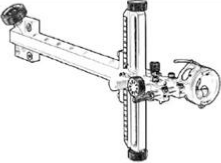

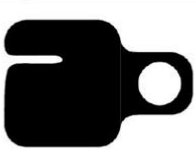

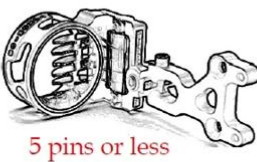

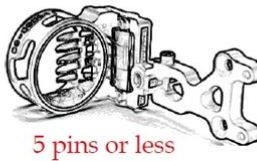

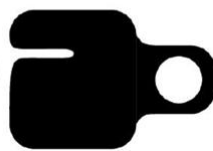

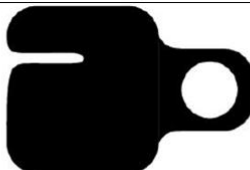

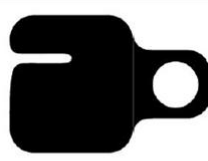

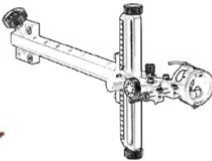

The Redwood Bowmen are a part of the Northern Division of the CBH/SAA (California Bowmen Hunters / State Archery Association). The CBH/SAA promotes and protects archery and bow hunting rights in California. Recent events targeting archery ranges are why we help support the CBH/SAA. If the Redwood Bowmen were threatened, the CHB/SAA would help us to keep our clubhouse and charter.

One of the best ways to support the CBH/SAA is to go to their regional competitions, post pictures and spread the word about how much fun you had.

Take a look at their website at [www.cbhsaa.net](http://www.cbhsaa.net) where you will find a schedule of events and information on other programs they run. You can also like them on [Facebook](https://www.facebook.com/cbhsaa).

## PLANNING FOR 2015

The NCFAA Four Shoot Regionals are **highlighted below in yellow**. The 2<sup>nd</sup> shoot in this series is the Western Roundup. Only club members signed up to shoot the regionals will be allowed to shoot the Roundup. We will need everyone else's help to prepare for and run the shoot. With over 200 archers last year we can expect a great turnout again this year!
