Western Round Up 2013

It was rainy and foggy ...

but still a good day on the
range.

The Western Round Up was a great success. Considering Mother Nature was not kind to us on the day of the shoot — we hosted 142 archers, a few more than last year. The raffle received high praise—we owe our many sponsors a huge thank you for their generous donations. If you are in any of the local archery shops, please be sure to mention how much their support of our club means.

This event was a success because of all the hard work from our members and friends.

I am very proud to be a member of Redwood Bowmen; to be associated with such good people who continually give of their time and resources.

There are never enough ways to say Thank You.

Redwood Bowmen shooting at Nevada City Shoot

Warm weekend for redwood bowmen at this shoot. The senior members of our club participated in the annual event, and did rather well. (They all survived) John, Cookie, and Ken hiked the course three times during their stay, no small feat.

(Left to right) Cookie Foster, John Baslee, Bill Talbot, and Ken Closser

Cookie and John show us how it's done by scoring 22's. Cookie Foster was top shooter in her class, Myra Dudley won blue ribbon in her class, and Bill Talbot led the Master Seniors (BHFS). Others that attended were Grace Watts, (2nd), Josh Watts (2nd), and William Watts (5th)

More results from the NCFAA Regional 3-D Shoot on May 5.

Gregory Lim 1st Male FS M Sr.

Thank you to all who submitted info!!

Hottest Archery Talent and Rising Stars Meet in Ohio for Record Setting National Championships

excerpt from USA Archery

HAMILTON, Ohio - With the race for national championship titles already hot, archers across America are spending these last few days getting ready for the 129th US National Target Championships/US Open and Easton JOAD Nationals, which begin here on Wednesday.

Still riding the wave of excitement from the 2012 Olympic Games and the Hollywood spotlight on archery, this year has seen sustained growth of the sport with record attendance at almost every USAT Qualifier Series Event this season. With an unheard-of 701 registered archers competing, including over 475 youth competitors – at least 170 of whom are cadets –the tournament promises intense competition while capturing the spirit of the archery community.

Chris Plumeau, from San Jose is one of the 475 youth competing in Ohio this week.

Good luck Chris!

National Field Championships -- June 6-8

excerpt from US Archery

EAGLE LAKE, Texas – After two days of challenging field archery shots at Blaschke Exotic Deer Ranch, USA Archery has crowned its National Field Champions, and the winners in the barebow, recurve and compound categories should come as no surprise to archery fans.

Following yesterday's unmarked distances, competitors shot 24 targets at marked yardages today. While marked yardage shooting removed a bit of the guesswork, it still required archers to manage some dramatic angles on today's course, with challenging uphill and downhill shots being the standard on field archery courses.

Rebecca Nelson-Harris and **Ben Rogers** both clinched the championship titles in the barebow senior women's and senior men's categories, respectively, with Nelson-Harris hitting a 584 and Rogers posting a solid 641 for the win.

June Club Shoot

There were 17 archers at the June Club shoot.

High Scores:

FSMA	John Casella	529
BHFS Male Adult	Morgan Anderson	492
BHFS Female Sr.	Cookie Foster	483
BBRCT	Steve Williams	283
FSYM	Henry Hodell	356

A special shout out to Laurie—

In the last several months, I can't begin to count the number of receipts Laurie has turned in on which DONATION has been written. Her donations have ranged from lasagna, salad and bread for the instructors when we have 2 EBRPD classes in one day, balloons and other supplies for the classes and raffle prizes and food items for the Western Round Up.

Thank you—your generosity and willingness to help without being asked is a spectacular example of the wonderful members we have at Redwood Bowmen.
