President's Message

Greetings members--

The second half of winter is upon us. The recent record breaking high temperatures made for some fantastic field archery, even though we do need the rain. I hope even more of this fine weather is headed our way so we can start the big project of repairing the targets on the Hill Range. In case any of you didn't know, we had to close the Hill Range this winter due to worn out targets, rotted bases and unsafe conditions. The Hill Course is our pride and joy, people come from all over to shoot our legendary redwood archery course.

We have big plans for the repairs needed to re-open the course. You will all be called to be part of this epic event! The large list of repairs will be posted in the clubhouse. All of you will be needed to complete the repairs by this summer. Members will be organized in small groups. Each group will choose a task and figure out how they want to complete the task. In preparation for this great repair, tools were purchased by the club and the EBRP gave us a large amount of high quality redwood lumber. Expect a call from the club task force leaders: Rick, Ryan and myself. We will help you pick a task.

"Ask not what the club can do for you, ask what you can do for the club."

Neal Rubin

President of Redwood Bowmen

Honoring Our Presidents

During the New Year's Day potluck, our current president, Neal Rubin, took time to honor his predecessors with beautifully engraved gavels.

**Thank you for your service to Redwood Bowmen,
Carl Kresge & Doug Scott!**

Archery Class Spotlight: *Women Veterans Peer Support Group*

In September, ReBo had the honor of hosting the Women Veterans Peer Support Group in an archery class, headed by Dawnel Scott. It was a beautiful day and fun was had by all!

After the class, the group presented an award for service and generosity to ReBo. Redwood Bowmen also received two special certificates of recognition from California 14th District Assemblywoman Susan Bonilla and U.S. Congressman Jerry McNerney for ReBo's efforts working with the Concord Vet Center Women's Veterans Peer Support Group. These awards are on display in the clubhouse.

Volunteers

A huge **THANK YOU** to those that have donated their time, love, care, and sweat to helping Redwood Bowmen during work days and classes.
You're what makes us shine!

Major thanks to Salim Server, who replaced the drafty windows in the clubhouse!!!

TEACHERS NEEDED: Available during the weekdays to teach EBRP classes? Please contact Neal Rubin.

Club Wish List
