### **East Bay Regional Parks Archery classes:**

We have a big year planned for the archery classes in 2013. Currently, there are 9 classes scheduled from March 9 through June 29. July through November class dates are pending, though we expect to have at least 12 classes during that timeframe.

We have negotiated a new contract with EBRPD where we will now receive 70% of the class fees—making these classes an even bigger contributor to club funds!

Student targets have been ordered which will allow us to hold the class on the 40-50-60 yard section of the practice range, leaving the other more highly used section of the practice range open for uninterrupted public use. The bows and arrows have been inventoried, repaired and are ready to go.

<b>Class schedule:</b>	<b>March 9</b>	<b>1:30-3:30</b>
	<b>March 23</b>	<b>1:30-3:30</b>
	<b>April 6</b>	<b>1:30-3:30</b>
	<b>April 20</b>	<b>1:30-3:30</b>
	<b>May 4</b>	<b>1:30-3:30</b>
	<b>May 25</b>	<b>10:00 to noon</b>
	<b>May 25</b>	<b>1:30-3:30</b>

Any members –whether you are an instructor or not, who would like to assist with these classes are welcome. Not only are these classes a huge source of income for the club, but from a personal aspect, they are very fulfilling—it's a wonderful sight to see the smiles when a new archer hits the bull or pops a balloon for the first time.

**Level 1 Archery instructors class      Sunday, February 17 8 am**

**Cost: \$75.00**

**Redwood Bowmen Rangehouse**

# Redwood Bowmen – Out and About

Winter Hunt Unmarked Target Shoot @ Diablo Bowmen, Sat, January 12th.

Carol Clark - 1st place winner - Women's Bowhunter Freestyle

Very fun shoot! Started out around 36 degrees with some "popcorn" snow on the ground. I felt like a real hunter. My husband and I shot with a couple from the Diablo Club and a young lady and her father. Enjoyed the specialty targets- flying goose, rocking horse, string walk, metal varmout, hanging apples. It took some thought to judge distances, which made it an exciting shoot.

Happy to represent our club by taking a 1st place ribbon and belt buckle (my very first).

## COMMITTEE REPORTS:

1. Range: Rick was absent. The 80 yard target fell over. It needs to be repaired and secured at the work party. The hill still needs work. The banding has rotted on several targets need to be rebanded.
2. Rangehouse: We need to split wood for the club house. This needs to be done at the Saturday work party. A tree has fallen and needs to be cut up.
3. Classification: Jonathan is not present for classifications
4. Social: Laurie was not present
5. Sunshine: Laurie was not present
6. Target Talk: Target Talk was sent out in January. All the activities and up-coming shoots need to get to Dawnel so she can get them in Target Talk.
7. East Bay Regional Parks: There is a 24 class schedule with East Bay Regional for the upcoming year. The first class will be March 9th. Anyone interested in being an instructor, please contact Dawnel Scott or Neal Rubin. The classes are a great revenue maker for the Club. There are currently four certified instructors in the club and we are looking for more people to get certified. It's a lot of fun. You can also come out and help even if you are not certified. We could use the help.

Carl Kresge met with the Parks. The Parks wants to set us up with a 5 year contract. We have not had one since 1997. Our rates would go up to \$300 per year. After 5 years our rent would be \$2500 a year.

8. Leg. Rep:
9. Twilight Shoot: Nothing to discuss
10. Youth Program: See East Bay Parks to see upcoming archery classes
11. Western Round-Up: Nothing to discuss

**OLD BUSINESS:** Pins were discussed for our two shoots. We need to order pins. We need to decide whether we are going to buy two different kinds of pins or just one. Buying one pin would be the cheaper way to go. We need to decide which logo we need to go with. New logos were discussed. Changing the logo to a new logo was brought up.

**NEW BUSINESS:** We need to look at Targets and arrows and other equipment for the up-coming archery classes. We will look at Lancaster Archery and get quotes from some of the local archery shops for supplies.

A proposal was made to update the by-laws. The by-laws are old and need to be looked at to make the Club better. The motion was seconded.

Membership is due in March. The locks will be changed and new keys distributed when dues are paid. You will be notified through Target Talk, mail and email when dues need to be paid.

Meeting was adjourned at 9:24 PM

**GOOD OF THE CLUB.**
