Redwood Bowmen – Out and About

CBH State Field Championships

Greg Lim competed at Yolo. He, like the rest of the competitors, is waiting for the scores to be posted. Rumor has it that a few venues were late in submitting their results so scores are to be posted sometime this month.

SAC California Cup – Sacramento CA

This event is unique in that archers shoot a full FITA (144 arrows) on Saturday to establish ranking, then are paired in an 8 round head to head shoot off to determine the winner.

Dawnel Scott	3 rd Female Compound
Doug Scott	Male Compound

Other area archers:

Bernice Wang	2 nd Female Recurve
Chris Plumeau	3 rd Male Recurve

Jim Brug	Male Recurve
Nora Brug	Female Recurve
Ben Armentrout	Male Recurve

Mt Madonna Bug Shoot

From Dave Brewer: Redwood Bowmen was well represented at the Mt. Madonna 3D Bug Shoot on July 15. In my group, we had Greg Lim, Nico Gallegos Norm L and Uwe Jacobs from Briones. Greg Lim took first place in Senior Freestyle with a score of 907. Not only was this an awesome score it was also second highest score of all the shooters at the shoot. Norm L also took first place in the Barebow Class. Both Greg and Norm were awarded belt buckles for placing first in their classes. Nico Gallegos placed second in Traditional Class and shot from the long stakes. He scored 581 and was awarded a second place medal. Dave Brewer placed third in Male Freestyle with an 889 and was also awarded a medal. Four of the five shooters in our group placed first, second or third.

Not only did four of the five win medals, but something also extraordinary for our group happened. Greg Lim shot a Robinhood through Uwe Jacobs arrow on target 5. A Robinhood, you say, may not be so extraordinary? On the very next target, Uwe Jacobs also Robinhooded one of his own arrows. Two Robinhoods in two targets in one round. Oh and yes all the arrows were right in the middle of the 11 spot.

Please send me information – where did you compete, how did you place?

Archery is for everyone!

At the recent California Cup held at Discovery Park, handicapped archers were competing side-by-side with archers.

John Bellora (wheelchair) (Saturday score 1341)
and Jeff Sena (prosthetic) (Saturday score 1335)
Nearest Saturday score to theirs was 1311

These archers led the field throughout the 2-day competition--Jeff was the eventual winner, with John coming in second.

Visually impaired archers--

Mark Schrand (compound) and Janice Walth (recurve)

Reprint from CBH/SAA Newsletter

On Tuesday, June 12, 2012, my husband-Courtney, and I, as part of the Discovery Blind Sports organization, held our first archery day camp at Terry Morris's property in Lone. **Four blind and visually impaired youth from the Community Center for the Blind in Stockton learned to shoot archery.**

We were using a tactile technique that was developed over 20 years ago by British Blind Sport.org and is the official method used by archers who are blind & visually impaired all over the world. Courtney, is a level III coach, and has been working with me and other blind and visually impaired archers for the past eight years. Taught how the equipment consisted of 1) a foot-locator that is positioned across the shooting line for maintaining position on the line and 2) a sight mounted on a tripod for aiming. The archers stand with their heels next to the clips and against the back of the foot locator. Then they raise their bow & touch the back of the bow hand to a probe sticking out from the sight to get the proper elevation to the target. The rest is up to the archer to use the proper shooting form that is required of any archer, sighted or not. The tactile equipment enables a person who is blind to perform the shot independently and feel a sense of real accomplishment as they perfect their technique. The volunteers were able to experience what a blind archer is going through when trying to hit a target they cannot see and this made them excellent trainers when they began working with the Blind Center Youth.

These four young people had a ball trying to hit balloons secured to the bull's-eye of their target 15 yards away. The day was capped off with a great BBQ, made possible by the generous donation from the Clements-Lockeford Lions Club, some rousing banjo/guitar music from a couple of the volunteers, and some fishing via paddleboat on Terry's pond.

It's our hope that we'll be able to provide more archery camps like this to expose youth and adults who are blind and visually impaired to the great sport of archery. Archery is a sport for all ages and all physical abilities. With practice and dedication, blind archers can compete and take their game all the way to the world championship level if they want. Someday, when our numbers grow, we'll make it to the Paralympic Games.

Thanks to Terry Morris for donating his property, the Clements-Lockeford Lions for the food, and all the volunteers for making our first archery day camp a great success! Thanks also to Casey Landrum from Discovery Blind Sports for taking pictures and creating a slide show that really captures the mood of the day. Please visit: www.cbhsaa.net/outreach.html to see the slide show. By: Janice Walth (209) 329-6696 <http://www.seenolimits.org/>

East Bay Regional Parks Archery classes:

Introduction to Archery classes are typically taught the first Saturday of the month from 1:30 to 3:30. If you are a certified instructor and have time available or a member who wants to help out, your assistance with the students is appreciated. The classes are always filled to the maximum.

Upcoming dates are:

August 4	October 6
September 8	October 13
September 16	

The July 7 class had 13 archers—this was a class of the young and those young at heart. Every archer commented that they enjoyed the class even though it was too short. There were questions about if we could offer intermediate class.

A special thanks go out to Mike and Mark Stratman, Dave, Neil, Ken Carl.

Each full class of students provides \$420 to Redwood Bowmen. This is a great way to earn money for the club and introduce new archers to the sport.

Upcoming archery events around the area

US Men win Silver Medal !!

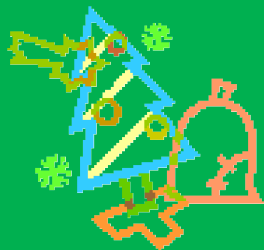

The US team defeated the highly ranked So Korean team 224-219 in the quarter-finals to make it to the medal round. In a tight match against Italy for the Gold Medal, the US scored 218 points to the 219 points scored by the Italian archers. It all came down to the last arrow. This was Italy's first-ever medal in a team event.

The US Women's team was defeated by China in the quarterfinals.

In Individual Medal competition, Khatuna Lorig was the sole US archer to make it through to the medal match. Khatuna was defeated by Avitia Mariana of Mexico for the Bronze Medal by a score of 6-2.

Im Dong-Hyun (who is legally blind) broke his own world record for 72 arrows shooting a 699 during the ranking round.

SWEARING IN OF NEW MEMBERS. Monique Merritt and Thom Carney were both sworn in as new members by Karl Kresge

MINUTES OF THE LAST GENERAL AND BOARD MEETINGS. Minutes from the last month's general meeting were read and excepted by the membership

TREASURER'S REPORT. The Treasures report was not read due to Anthony Carlson not being present at the meeting.

CORRESPONDENCE None

COMMITTEE REPORTS

1. Range: The range needs work. The weeds are growing back and need to be mowed. Targets need to be made. Trees need to be trimmed. Several bow racks still need pegs. It was mentioned that the suspension on the cart is going out and will need to be repaired. Yardage markers also need to be painted.
2. Rangehouse: The rangehouse is in good shape. There is a shower on the far side of the building for anyone needing to wash off due to poison oak.
3. Classification: Nothing from classification. Jonathan was not present at the meeting
4. Social: Nothing from Social. Laurie was not at the meeting. Cookie Foster did bring up having our awards banquet at a different place than Monahan's. She brought in a menu. This will be discussed at the next Board Meeting.
5. Sunshine: Nothing to report. Laurie not at the meeting
6. Target Talk: Target Talk was sent out. Nothing more from Target Talk, Dawnel was not present at the meeting.
7. East Bay Regional Parks: There was a class last Saturday. It was a great success. there were lots of shooters and volunteers. It was a lot of fun and lasted 3 1/2 hours.
8. Leg. Rep: Nothing from Leg Rep. Jack not present. It was mentioned that Jack's wife had a baby.
9. 3d Shoot: Nothing to report
10. Youth Program: Class last Saturday
11. Western Round-Up: Anthony Carlson was not present so we don't know yet how much

money was made from the shoot and how many shooters we had officially.
OLD BUSINESS. None

NEW BUSINESS. Cookie got a quote for pins for the Western Roundup for next year. A quote for the pins was given to Karl. A quote for belt buckles was also brought up and will be looked in to by getting a few quotes.

WiFi was brought up again in the Clubhouse. Cost is about \$120 a month. This will be discussed at the next board meeting.

President Karl Kresge brought up the two vacant Board positions to the membership. Steve Weeks volunteered to take over the Vice President position for the remainder of the year. It was voted on by the membership and approved.

A sign needs to be made for donations.

We are very low on cardboard and Ken Closser is getting quotes for the cardboard to make targets. If anyone knows where we can get cardboard cheap or for free or donated please let the club know.

EBRP has suggested we repair or make a new sign for the range. This is the sign coming out of the garage structure.

Awnings were discussed to cover the shooting positions on the 40, 50 and 60 yard targets on the practice range. This will be discussed by the board.

GOOD OF THE CLUB. Nothing to report. Meeting adjourned at 9:00 PM
