### East Bay Regional Parks Archery classes:

Introduction to Archery classes are typically taught the first Saturday of the month from 1:30 to 3:30. The classes are always filled to the maximum.

Upcoming dates are:

September 8

September 16

October 6

October 13

The August 4 class had 14 archers—this was a class of the young and those young at heart. Every archer commented that they enjoyed the class even though it was too short. There were questions about if we could offer intermediate class.

Redwood Bowmen also hosted two special classes on July 27 and August 16 for East Bay Regional Parks District for their youth/teen programs.

These classes are a great way to interact with other archery enthusiasts, so if you are a certified instructor and have time available or a member who wants to help out, your assistance with the classes is appreciated.

We need cardboard for the targets. If you know where we can get cardboard free or very inexpensive, let the club know.

## California Archers compete in FITA World Field (info pulled from FITA website)

California was well represented in the recent competition held at Val d'Isere, France

Alan Eagleton brings home team Gold and individual Silver. CONGRATULATIONS!!

United States of America (USA/1) v Finland (FIN/6)

The USA team comprised of Olympic silver medalist Jake KAMINSKI, the defending compound champion Dave COUSINS, and the individual finalist Alan EAGLETON. Finland surprised the field by making this far in the competition. Both teams shot tied after the first target with 14 points. Finland, who beat Italy in the semi-final, shot a consistent 14 on the second target. The Americans upstaged the Finish team in this round with a 4-6-6, building a two-point lead (30-28) at the halfway mark. The wind picked up for the 3rd target and was reflected in the scores, 3-4-5. The Finnish archers shot the same total on the third target (12 points), which meant the margin stayed the same (2 points). For the final target, Finland shot 2-5-3, opening the door for the Americans. Alan EAGLETON shot a Miss, followed by a poor shot by KAMINSKI. COUSINS came through with the last arrow with 6 the six points they needed for the gold medal.

Gold Medal Match: Sebastian JUANOLA CODINA (ESP/1) v Alan EAGLETON (USA/2)

EAGLETON won gold yesterday with the U.S. team. This is his first world championship! JUANOLA CODINA is also new to this level of competition. It was a tight match between these two archers. JUANOLA CODINA took a slight advantage with 5-4-5 and 5-5-5 for 29 points, while EAGLETON had 5-4-4 and 5-5-5 for 28. JUANOLA CODINA however was not so consistent on the third target with 4-2-2. EAGLETON took advantage of it with 3-4-4 to take the lead, 39-37. EAGLETON finished with 3-2-4. JUANOLA CODINA took the opportunity to turn the match around one last time to shoot 3-5-4 to bring a world title to Spain, 49-48!

Paige Pearce brings home individual Silver. CONGRATULATIONS!!

Gold Medal Match: Paige PEARCE (USA/1) v Ivana BUDEN (CRO/2)

Paige PEARCE, born in 1995, was the 2009 cadet world champion in target archery. Ivana BUDEN, 26, also young talent and has many podiums in field and target archery. Last year she was ranked No. 1 in the discipline. BUDEN was really consistent and strong on the first three targets, shooting 16-16-16. She built a good lead, 48-44, going into the last target. PEARCE shot better on the fourth target (14-13) but BUDEN became world champion! Final score 61-58.

Gold Medal Match winners:

Jean-Charles VALLADONT (FRA) - men's recurve.

Elena RICHTER (GER) - women's recurve

Jesse BROADWATER (USA) – men's compound

Ivana Buden (CRO) – women's compound

Sebastian JUANOLA CODINA (ESP) - men's barebow

Lina BJORKLUND (SWE) - women's barebow

## *Did you know...*

Target Talk was originated by Bill Weeks and the first issue was published in March 1953.

The following is a re-print from the March 1953 Target Talk

The introduction of Target Talk marks another stride in our endeavor to broaden the benefits of archery. And, when we use the word "our" you can be sure it means every member of the organization. Just to remind you...the slogan for Redwood Bowmen reads, "Northern California's Leading Field Archers. We mean it, and we can make it an increasingly important fact if every member contributes every reasonable effort toward that goal.

The start of 1953 points to the greatest membership and activity in the history of Redwood Bowmen. Interest in archery is increasing at an almost alarming rate. Our point is that so many newcomers to the sport involves a tremendous increase in traffic on our range. That goes for members and the public. A target face will stand only so many hits, that goes for bales as well, and who pays for it all and who does all the work? ...YOU DO...if you want a decent range!

In past years, a handful of archer brought no problems. Today it's an entirely different story. One Range manager and two or three helpers at a work day is wishful thinking in an attempt to maintain a twenty-eight target course.

Does this sound similar to what we are experiencing today—an amazing interest in archery and a limited number of members meeting the club's needs.

## Remember to volunteer

Each and every member has a stake in the club's future. As said above, all it takes is for every member to contribute every reasonable effort toward the goal of making Redwood Bowmen a premier archery club.

### Upcoming archery events around the area

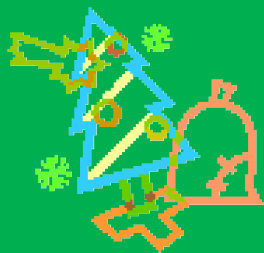

September 2	CBH State 900 Round—various locations (Black Mountain Bowmen closest)
September 15	Bowhunters Unlimited: Wounded Warrior Shoot
Sept 22-23	SAC Pacific Coast Championships—Discovery Park Sacramento
September 30	Arrows in the Vineyard – Kirigin Cellars and Predators Archery
October 7	Santa Cruz Archers—Bad Boys of Banciforte
October 14	NCFAA Regional Outdoor – Diablo Bowmen

Archery was very popular activity in 1956.

#### COMMITTEE REPORTS

1. Range: The range needs work. Targets need to be made. Trees need to be trimmed. Several bow racks still need pegs. Yardage markers also need to be painted. Major work will be done on the practice range. Ken had scheduled this work to be completed Sept 6-8 but this timing conflicts with an EBRPD class, so it will be rescheduled for Sept 21-23. We need cardboard. If anyone knows where we can get cardboard cheap or for free or donated please let the club know.
2. Rangehouse: The rangehouse is in good shape. Reminder to all members that the sodas and snacks in the refrigerator are on the honor system. Sodas and snacks are going without corresponding monies being put in the bin. Leave and IOU if you don't have the money at the time.
3. Classification: Jonathan gave an update. Club shoots have raised \$1122 from March to July. There have been between 14 and 19 archers. REMINDER—TURN IN YOUR SCORECARDS!
4. Social: Nothing from Social. Laurie was not at the meeting.
5. Sunshine: Nothing to report. Laurie not at the meeting
6. Target Talk: Target Talk was sent out.

President Karl Kresge brought up the vacant positions to the membership—Treasurer, Asst Range Manager, Asst Club House Manager, 2 Representatives at Large. We need to fill these positions.

A question was asked if we could put a bulletin board down by the bow racks in the practice range where info could also be posted.
